Dear General:

STATOTHR

Thank you for forwarding the letter from [REDACTED]. I believe there are Army positions for reliable Japanese-English linguists, but I am sure there would be interest in this office for positions which [REDACTED] might be willing to consider.

I note that you offered to write in his behalf. If you have some specific information, would you be good enough to send it to me? If we do not have a position to offer him or if he is not interested, I shall be glad to find out if the Office for Occupied Areas is looking for recruits.

Very truly yours,

LAWRENCE R. HOUSTON
General Counsel
